

Berol[®] 226

At the heart of high performance cleaning formulations

Ultra-high performance, cost-effective and versatile. Berol 226 is an industry-leading and powerful surfactant system delivering highly efficient cleaning.

Smart surfactant system

The smart chemistry of Berol 226 provides the best solution for industrial and household cleaning applications. It is the heart of high-performance cleaning formulations.

Less chemicals, more chemistry

- Excellent cleaning even at very low concentrations
- Multifunctional product – perfect combination of strong wetting, powerful emulsifying and excellent dispersing properties
- Unique synergy of powerful surfactants and cleaning boosters
- Exceptional cleaning of fat/oil and particulate soils on hard surfaces
- 100% active, water-free
- Meets U.S. EPA Safer Choice product requirements

Versatile cleaning applications

The powerful cleaning performance of Berol 226 is used for a wide range of applications:

- Household cleaning – floor, kitchen, bathroom
- Institutional cleaning – hospitality, health care, restaurants
- Industrial cleaning – metal degreasing, engine cleaning, vehicle cleaning
- Water-based multi-purpose hard surface cleaning

Comparative performance of Berol 226 vs. commercial all-purpose cleaners

The formulator's delight

- Makes your life easier – proven technology
- First choice for your cleaning portfolio
- Progressive customers use Berol 226 from routine to the most challenging cleaning tasks

Berol 226 solves your cleaning challenges

- Delivers great cleaning performance
- Outperforms conventional surfactants
- Addresses difficult or complex formulation needs
- Reduces inventory complexity and quantity
- Reduces or eliminates the need for hazardous solvents

Test Berol 226 now to achieve

- High-performance cleaning
- Cost-effective formulations
- Universal applications – expand your product portfolio
- Differentiating end-products – accelerate your business
- Consistent results
